Notice dated 21st March 1917.

Notice is hereby given that sealed tenders will be received at the office of the Chief Electrical Engineer to the Government of Mysore up to 5th April 1917, for supply of the following materials.

2. Each tender must be accompanied by a deposit of Rs. 100 in cash or Government Promissory Notes as earnest money and be subscribed "Tender for supply of galvanized poles and angle iron," in default of which tenders will be rejected.

3. The final acceptance of the tender will rest with the Chief Electrical Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever, for the rejection of any tender.

4. The successful competitor, whose tender has been accepted will be notified, and should, within fifteen days from the date of receipt of the acceptance of his tender, supply the full quantity of the materials, in default of which, the Chief Electrical Engineer will have the option of cancelling the tender and purchasing the materials elsewhere. In this case, the successful competitor will not only forfeit his earnest money but will also be liable to make good any loss that Chief Electrical Engineer may be put to in purchasing the materials from outside.

5. The rate tendered for the material shall include cost of delivery either at the stores of the Electrical Department or "F. O. R." Bangalore. No charges will be allowed for packing or carting.

6. On acceptance of one of the tenders, the earnest money of the rejected tenders will be returned.

INDUSTRIES AND COMMERCE COMMITTEE.

Notification, Bedford House, Bangalore, dated 1917.

With a view to enable the local capitalists, expert cabinet-makers, or furniture firms, to start an up-to-date Furniture Factory in the Bangalore City, with a minimum capital of Rs. 50,000, fifty thousand, the Industries and Commerce Committee are prepared to recommend the grant of all or any of the following concessions:—

1. A loan of 75 per cent of the value of the machinery, on delivery, at the Factory, carrying interest at $6\frac{1}{4}$ per cent per annum, repayable in annual instalments subject to a maximum period of seven years.

The amount of the loan, however, shall not exceed 50 per cent of the value of machinery unless other security is furnished.

2. The machinery to be purchased should be approved by the Director of Industries and Commerce.

3. The loan will be subject to the conditions contained in the Rules relating to the grant of Takkavi loans for industries as regards repayment, inspection of the concern, and audit of accounts.

4. The loan, however, does not carry with it Government patronage. The attention of the applicants is invited to existing rules relating to the supply of Departmental requirements, giving preference to indigenous manufactures (*vide* Government Order No. Fl. 2760-809—G. F. 214-10-80, dated 23rd December 1913.

5. All timber available in the Forest Department, should be purchased by the Firm in public auction.
